11. (C) After delivering reftel talking points on December 27, we followed up with MFA Iran desk officer Oleg Doichinov on January 11. Doichinov confirmed that state institutions (including the Financial Intelligence Agency, Customs Service, and Export Control Commission) had been advised of their obligations under the resolution in an advance circular distributed on 28 December. A more comprehensive report on the resolution is currently being prepared by the MFA's UN and Global Issues Directorate, said Doichinov. Once signed by the Foreign Minister, the report will be forwarded to the Council of Ministers, which will issue a decree on the resolution's implementation.

12. (U) Contact is Political Officer John Senior (seniorjm@state.gov).
